To Our Valued Patients,

At Miller & Bounds your health and safety are our utmost concern. As health care professionals we have a role to play in doing what we can to slow the transmission of the Coronavirus and help “flatten the curve.”

Based on information from the Center for Disease Control and California Dental Association we are cancelling all non-emergency patients this week. We will continue to closely monitor the COVID-19 situation and follow local, state and federal guidelines. We are taking this day-by-day and as new information becomes available, we will make updates and changes as needed.

We are prepared to navigate through these challenging circumstances with your safety and confidence at the forefront of everything we do. Your safety is our highest priority, and we genuinely appreciate the trust that you place in our team. If you have any questions, please do not hesitate to contact our office.

Sincerely,
